# HERBS

**Anise & Anise Hyssop** – Immerse yourself in the sweet, licorice flavors of Anise, perfect for enhancing teas, desserts, and baked goods. Anise Hyssop adds a decorative touch with its beautiful lavender flowers, offering a delightful anise aroma ideal for salads and garnishing.

**Basil Varieties** – Our extensive basil collection includes the classic Genovese, indispensable for authentic pesto and Italian dishes, and specialty basil varieties such as Cinnamon, Lemon, Thai, and several Tulsi varieties (Kapoor, Rama, and Vana). Each basil type brings its unique essence, from warm and spicy to refreshingly citrus, catering to a broad spectrum of culinary creations.

**Chamomile** – Grow your own Chamomile to enjoy calming, soothing teas. Its gentle, apple-like flavor and aroma make it a delightful herb for relaxation and culinary use.

**Chives & Garlic Chives** – Add a touch of mild onion or subtle garlic flavor to your dishes with our Chives and Garlic Chives, perfect for enhancing salads, soups, and main courses.

**Cilantro** – A cornerstone of Mexican, Asian, and Caribbean cuisines, our cilantro is vibrant and flavorful, ready to add that signature fresh zest to your favorite dishes.

**Dill & Fennel** – Versatile Dill is essential for pickling, salads, and soups, while Fennel, with its sweet, anise-flavored foliage and bulb, enhances both savory and sweet recipes.

**Lemongrass** – With its fresh, citrus scent and flavor, Lemongrass is indispensable in Asian cuisine, offering a vibrant zest to teas, soups, and curries.

**Lemon Verbena** – Highly aromatic Lemon Verbena is a wonderful addition to teas, desserts, and savory dishes, imparting a potent lemony essence.

**Lavender** – Beloved for its soothing fragrance and beautiful blooms, Lavender is a culinary gem, perfect for adding a floral, slightly sweet flavor to baked goods, teas, and more.

**Marjoram & Oregano** – These aromatic herbs are staples in Mediterranean cooking, offering a blend of sweet, spicy, and earthy notes perfect for seasoning a variety of dishes.

**Parsley** – Our lush, green parsley, available in both curly and Italian flat-leaf varieties, is more than just a garnish. It's a fresh, clean taste that enriches soups, salads, and main dishes.

**Mint Varieties** – Our collection includes Spearmint, Peppermint, and Chocolate Mint, each offering a unique flavor for teas, desserts, and culinary delights.

**Rosemary** – With traditional Rosemary and BBQ Rosemary available, these herbs add a robust, aromatic flavor to meats, bread, and culinary creations, ideal for grilling and roasting.

**Tarragon** – French Tarragon introduces a subtle anise flavor to dishes, while Russian Tarragon offers a bolder taste, perfect for culinary experimentation.

**Sage Varieties** – From the fruity notes of Pineapple Sage to the classic aroma of traditional Sage, these herbs are essential for teas, cocktails, and savory dishes.

**Thyme & Lemon Thyme** – Classic Thyme and its citrusy counterpart, Lemon Thyme, are versatile herbs that enhance the flavor profile of meats, soups, and sauces.

**Stevia** – Sweeten your beverages and desserts naturally with our Stevia plants, offering a zero-calorie alternative to sugar.

# VEGGIES AND FRUITS

## **Leafy Greens & Salads:**

**Arugula:** A peppery, flavorful green perfect for salads and garnishes, thriving in cooler temperatures.

**Kale - Prism & Swiss Chard Combo:** Robust and nutrient-rich, these greens offer a colorful and flavorful addition to any meal, from sautés to smoothies.

**Pak Choi:** Crisp and tender, this Asian green is ideal for stir-fries and soups, offering a mild, sweet flavor.

## **Cruciferous Vegetables:**

**Broccoli - Castle Dome:** Known for its large, tight heads and excellent flavor, this variety is a garden staple for its nutritional benefits.

**Brussels Sprout - Long Island & Combo with Kohlrabi:** Enjoy the nutty, sweet taste of Brussels sprouts and the crisp, delicious texture of kohlrabi from your garden.

**Cabbage Varieties (Brunswick, Danish Ballhead, Golden Acre, Red Rock, and Combos):** From savory stews to crisp salads, our cabbage varieties offer versatility and vibrant taste.

**Cauliflower Varieties (Cheddar, Purple, Snow Crown, Snowball, and Combos):** Add color and variety to your dishes with our range of cauliflowers, each boasting unique flavors and nutritional profiles.

## **Root & Bulb Vegetables:**

**Celery:** Crunchy and refreshing, celery is a garden essential for salads, soups, and snacks.

**Kohlrabi - White Vienna:** A mild, sweet flavor with a turnip-cabbage taste, perfect for eating raw or cooked.

**Onion Varieties (Green Onions, Red Candy, Spanish White, Spanish Yellow):** A fundamental ingredient in countless recipes, our onions are selected for their flavor and storage qualities.

# ANNUAL SUN FLOWERS

## **Alyssum Delights:**

Crystal Purple, Crystal White, Wonderland: Enchanting groundcovers that blanket the garden in sweet fragrance. Ideal for borders and rockeries, their delicate blooms attract butterflies and beneficial insects.

## **Begonia Brilliance:**

Bada Bing, Bossa Nova Series, Bronze Leaf, Cocoa, Dragon Wings, Rose Bada Boom, Stonehedge Light Pink: Begonias offer versatile beauty with their lush foliage and vibrant blooms. From shade to sun, there's a begonia for every garden spot. The Bossa Nova series shines with its cascading blooms in several hues, while the Dragon Wings present dramatic, wing-like leaves.

## **Bidens Brightness:**

Blazing Glory, White Delight, Yellow Charm: Radiant and resilient, Bidens are perfect for adding continuous blooms to sunny spots. Their cheerful, star-shaped flowers provide a lovely contrast in mixed containers or as a standalone statement.

## **Unique Additions:**

**Borage:** Known for its striking blue flowers and cucumber-like flavor, borage is both ornamental and edible, adding a touch of whimsy to gardens and dishes.

**Creeping Jenny:** A fast-spreading ground cover with vibrant green or gold foliage, ideal for softening edges and adding texture.

## **Calibrachoa & Canna Cascade:**

**Calibrachoa Million Bells & MiniFamous Neo Double series:** Mini petunia-like flowers that spill beautifully from containers and hanging baskets, available in a rainbow of colors.

**Canna Bronze Peach Cannova, Mango, Phaison, Yellow:** Tropical splendor with bold leaves and brilliant flowers, Cannas are perfect for a dramatic display in full sun.

## **Cosmos:**

Cosmos Double Click series, Mix, Sea Shell: Airy and elegant, Cosmos sway gracefully in the breeze, offering a cottage garden appeal with minimal care.

## **Gazania & Geranium Gala:**

**Gazanias New Day Mix:** Sun-loving and drought-tolerant, Gazanias open their brilliant blooms in full sunlight.

**Geranium series including Calliope, Ivy Great Balls of Fire, Moxie, Regal Elegance:** Geraniums are the backbone of summer containers, with vibrant flowers and zonal foliage that withstand the heat.

## **Sunpatiens& Lantana Layers:**

**Sunpatiens Compact series:** Shade-loving Impatiens that thrive in sun and heat, offering vibrant blooms all season long.

**Lantana Bandolero, Cherry Sunrise, Dallas Red, Mango Bandana:** Drought-tolerant Lantanas attract butterflies with their multicolored clusters of flowers.

## **Marigold & Nasturtium Nods:**

Marigold Big Duck series, Disco Mix, Lemon Gem: Cheerful and easy to grow, Marigolds are a natural pest deterrent and a symbol of summer.

**Nasturtium Jewel, Trailing Mix:** Edible flowers that bring a peppery taste to salads and a burst of color to gardens.

## **Petunia & Verbena Varieties:**

**Petunia series including Crazytunia, Double Cascade, Surfinia:** Petunias are the quintessential hanging basket flower, offering waves of color all season.

**Verbena Lanai series:** Hardy and heat tolerant, Verbenas boasts clusters of vibrant flowers perfect for any sunny spot.

## **Zinnia & Snapdragon Showstoppers:**

**Zinnias Benary series, Profusion, State Fair:** With their diverse colors and forms, Zinnias are a must-have for cutting gardens and vibrant borders.

**Snapdragon Liberty, Madame Butterfly, Rocket Mix:** Snapdragons add vertical interest and a rich palette of colors to gardens, blooming profusely in cooler weather.

# ANNUAL

## **Begonia Beauties:**

Our begonias, including the Amstel series (Blitz, Dark Britt, Netja Dark), Bada Bing Mix, and the radiant Bossa Nova series (Orange, Pink Glow, Pure White, Red, Rose, Yellow Improved), alongside the unique Cocoa, Dragon Wings Pink, and the Hiemalis varieties, offer a spectrum of colors and forms. With their lush foliage and captivating flowers, begonias are perfect for container gardens, hanging baskets, and shady garden spots.

## **Coleus Color Explosion:**

Coleus varieties like Bourbon Street, Great Falls series (Angel, Iguazu, Niagra, Yosemite), Main Street series (Alligator Alley, Glassworks Royalty/Velvet, Orchard Rd., Venice Blvd.), and Wizard series (Mix, Velvet Red) bring dramatic foliage patterns and colors ranging from deep purples to bright greens. Ideal for adding depth and contrast to your shade garden.

## **Fuchsia Fantasies:**

Fuchsias such as Autumnale, Blue Eyes, Corabells Dark Eyes, Firecracker, and Wind Chimes dangle their jewel-toned teardrop flowers from elegantly arching stems. These plants are a hummingbird's delight and a visual treat, perfect for hanging baskets and shaded nooks.

## **Impatiens Illuminations:**

Sunpatiens (Compact Blush Pink, Electric Orange, Orchid Blush, Purple, Red, Rose Glow, Tropical Rose, White) and traditional varieties provide a continuous display of vibrant blooms without the need for deadheading. From soft pastels to rich, deep hues, impatiens light up the shade with their cheerful blossoms.

### **Lobelia Luminance & Torenia Tranquility:**

Lobelia varieties including Cambridge Blue, Hot Blue, Lilac, Rivera Midnight Blue, Riviera White, and the Techno series offer cascading flowers that blanket the area in cool tones.

Torenia, also known as the wishbone flower, with options like the Summer Wave Bouquet in Blue and Gold, and Large Blue and Silver Summer Wave Trailing, provide delicate, snapdragon-like flowers, adding a soft, whimsical touch to shade gardens.

# PEPPERS

Whether you're a seasoned gardener or a culinary enthusiast, our comprehensive selection of peppers will add heat, flavor, and color to your garden and kitchen. We've categorized our pepper varieties to help you easily find the perfect match for your needs.

## **Sweet and Bell Peppers:**

**California Wonder and Red Knight:** Classic bell peppers known for their crisp texture and sweet flavor, perfect for fresh salads, stuffing, or grilling.

**Big Bertha Hybrid:** An extra-large variety that produces sweet, thick-fleshed peppers, ideal for stuffing.

**Sweet Banana and SweetSunset:** Long, sweet peppers excellent for frying, fresh eating, or pickling.

**Lunch Box:** Small, sweet snack peppers that are perfect for a crunchy, healthy treat.

**Goliath Chardonnay and Orange King:** Unique sweet peppers with distinctive colors, adding a visual and flavorful twist to dishes.

## **Mild to Medium Heat Peppers:**

**Anaheim and Poblano (Ancho when dried):** Versatile peppers with mild heat, great for roasting and stuffing.

**Cubanelle and Italian Lola Hybrid:** Ideal for frying and cooking, these peppers offer a mild flavor with just a hint of heat.

**Shishito:** A trendy, mild pepper that's perfect blistered or grilled, most are sweet with the occasional spicy surprise.

## Hot and Spicy Peppers:

**Jalapeno and its variants (Purple, Pumpkin Spice):** A staple in many dishes requiring a moderate kick.

**Serrano and Thai Bird:** Small but fiery, these peppers are essential in Asian and Mexican cuisines.

**Habanero and its variants (Caribbean Red, Sweet Orange, Chocolate, Primero):** Known for their intense heat and fruity undertones, these peppers are for the brave.

**Scotch Bonnet - Orange:** Similar in heat to habaneros, these peppers are essential in Caribbean cooking, offering a sweet, spicy flavor.

## Specialty and Exotic Peppers:

**Aji Dulce and Aji Rico:** Aromatic peppers with minimal heat, adding a unique flavor to any dish without the burn.

**Peter Pepper (red and yellow):** Known for their unusual shape and spicy kick, perfect for those looking for something different.

**Dragon Cayenne and Tabasco:** Ideal for making hot sauces or adding heat to recipes, these peppers are both fiery and flavorful.

**Ghost and Carolina Reaper:** Among the hottest peppers in the world, these varieties are for extreme heat lovers and should be used with caution.

## Innovative and Flavorful Peppers:

**Habanada:** A heatless habanero with all the flavor but none of the burn, perfect for those who love the taste of tropical peppers without the spice.

**Moscato F1 Sweet and Gochujang King Korean:** New varieties offering unique flavors for culinary experimentation.

# TOMATOES

# PERENNIALS

Discover the essence of perennial gardening with our diverse selection of over 115 varieties at our greenhouse. From the productive Triple Crown Blackberries to the ethereal Bleeding Heart White and the lush Boston Ferns, our collection is designed to enrich your garden year after year.

Our specialties include a wide range of David Austin roses, such as the Albrighton Rambler and Bathsheba, chosen for their exquisite beauty and fragrance. We also feature unique Echeverias like Perle Von Nurnberg, vibrant Echinaceas like Green Twister, and lush Hostas for shade gardening.

Completing our collection are the regal Peonies, such as Julia Rose and Sorbet, alongside fruitful Raspberry and Strawberry varieties for a touch of sweetness. Whether enhancing a garden or beginning a new one, our perennial offerings promise to bring life and color to your outdoor sanctuary.
